With this aspect, of Sun in opposition with partner's Mercury, you have a good basis for communication in your relationship, although there could also be communication difficulties between you, or you could hold values not in common with each other which is a potential source of disagreement and friction. Compromise is the key, bringing you to your shared purpose. Planning and organizing together is beneficial for you, with agreements needing to be strongly and clearly made. This aspect, of Sun in square with partner's Uranus, indicates an intriguing connection. There is an element of mental stimulation that Brad brings to Angelina, promoting excitement as well as unusual enjoyment, and creative flair. This represents a good basis for friendship but there also may be elements of discord between you. In a romantic context, you may be in for some strange days, in an unexpected and unusual connection fraught with possibility and radical change. Although there is magnetism, some unique attraction that brings you together, there may be character adjustments necessary between you, which are difficult to pull off with grace. The partnership may be inclined to be uncooperative, or you may be friendly but not demonstrative with each other, or one partner may feel dramatic disconnects, aloofness, or lack of support. The erratic and perhaps unexpected actions of Brad gives them a unique appeal for Angelina, but can also lead to feeling up in the air or very far away, and unstable. The two of you may alternate between extremes of freedom and independence, versus a more settled situation, or feel the need to radically defend your own individuality. Rebellion and authority bashing may also come into the mix. The challenge is there to accept unusual qualities in each other. Poise and discipline go a long way, if you can muster them. It is your fate to comprehend and synthesize for greater understanding or perhaps to just let go with abandon. At least it won't be boring.

Brad's Pluto in strong square

(within 0.8 degrees) with Angelina's Sun

The planetary energies conflict; internal and creative tensions bring rich rewards through effort over time.

This aspect, of Sun in square with partner's Pluto, symbolizes transformation and radical change as an important part of your relationship. As you work through these issues you may decide to give up the battle, or else you may discover untapped sources of strength as your partnership evolves, bringing a renewed confidence, and awareness of your true path. In a romantic context, this aspect represents a contact that is strongly even overwhelmingly powerful, sensual and passionate in sexual expression. This is a difficult aspect, indicating will and passion, and also some degree of conflict, within the partnership. There are likely to be issues of ego between you, or the direction one partner takes may appear selfish to the other. There may be a reforming attitude on the part of one of the partners, and obsession or other excessive behavior is also possible. You may also feel a magnetic attraction for each other, and may feel some sense of having known each other in a past life or other depth connection. There are difficulties to be worked through however, including the possibility of deceit within the partnership, or friction and resistance to authority may lead to vindictive behavior. These secretive and withheld areas can become destructive forces, or else can become issues to be worked through together. This can be incredibly challenging, but still you can overcome these drawbacks, as a partnership, and learn the depth of your own true nature, of your ability to evolve and grow in any circumstance. Economic activity is encouraged between you, and your partnership has definite earning potential. It

is also possible that artistic endeavors form an important basis for your partnership connection. In a romantic context, you share warmth and material values, and bathe in relaxed receptive loving sensations with each other, with displays of beauty and fashion interest, or self-expression involving art or music. You have a magnetic appeal for each other, and the attraction is strong, with perhaps one of you aligned more deeply with the feelings or purposes of their partner. The relationship motive between you is well supported, with Brad likely to bring love, beauty, and affection to Angelina. There can be much mutual pleasure. You enjoy making purchases together. There is a strong sense of shared aesthetics between you, and the attraction, appeal and sensuality that exists can also spill over into many other areas. This aspect describes an entirely pleasurable and harmonious connection between you.

**Brad's Mars in weak opposition
(within 7.4 degrees) with Angelina's Saturn**

The planetary energies are polarized; outer events stimulate their interaction; integration is the challenge.

With this aspect, of Mars in square or opposition to partner's Saturn, there is the potential for leadership by one partner, but this also may be experienced as restriction and an inclination to authoritarian control. Ambition and leadership in the relationship can become issues of control, as one tries to get ahead of the other. The best of this tends towards cooperation, yet the result may not be to gain, but for one partner to be angry, irritated, and unsettled. There is restraint, and potentially restriction of Brad by Angelina, but Angelina also supplies needed discipline for the partnership. Resistance can become resentment in Brad as the caution and controlling behavior of Angelina is enforced. These roles can also be reversed, but Angelina is likely to be the enforcer, with Brad the willful and subdued. In a romantic context, this aspect can obviously restrict passion, drive, or energy. The controlling behavior on the part of Angelina may seem like criticism and Brad may feel the need to express more freely and spontaneously. The friction between you can become intolerable and antagonistic. You benefit by agreement on shared goals and consciously working together, with the awareness of one partner as the driving energy, the other as welcomed discipline and focus of direction.

**Brad's Jupiter in weak conjunction
(within 7.6 degrees) with Angelina's Jupiter**

There is mutual tolerance and appreciation, which brings out the good qualities in each other and supports freedom and independence in both parties. You can also expect increased partnership confidence, and benefits, especially in the areas indicated by the sign and house position of Jupiter in your two charts. This aspect is expansive socially as well, and you may bring hosts of others into your field of life. In a romantic context, this aspect brings out the positive side of your interaction, lending enthusiasm for getting a lot done together, with a sense of forgiveness despite any setback. Your assistance to each other, and fortunate use of resources and opportunity is something quite special. You may find happiness and wealth together, but you may need to beware of excess. You may need to watch excessive spending, or other forms of waste, or not being completely down to earth in matching objectives with reality. The positive side of this aspect represents humor, joy, and the receiving of many gifts. Knowledge expands into wisdom, in avenues of focus including philosophy, education, travel, the enjoyment of outdoor activities, and other manifestations of life's abundance.

(within 8.0 degrees) with Angelina's Midheaven**
